How the challenge works Every day for 30 days, you'll get a new lesson. Each lesson has a real, natural conversation with a native English speaker. ...

30 Day English Listening Challenge

2) We haven't practised listening enough. In this challenge, we are going to fix number 2. It's really possible to make very fast progress in listening if you practise every day. We'll do two things - mini dictations (this what really gives you fast progress) and lots of incidental listening as you go about your day. The challenge is 30 days long.

30 Day Listening Challenge: Pack 3 | Speak English With ...

The 30-Day Speaking Challenge encourages you to work on your solo speaking practice on a daily basis. If you can commit to recording yourself for a few minutes every day, little by little you will start to make small improvements that gradually add up. Regular, daily practice helps bring about transformative and noticeable progress.

Strengthen And Sculpt Your Core In Just 30 Days With This ...

To solve this problem, in April 2021, we launched our first 30 for 30 Challenge. The goal was simple: Spend a maximum of 30 minutes every day using English (either speaking or writing) and share it with other members of the challenge. It might sound like a simple idea, but it is an incredibly powerful one. Every day, at midnight, a new task was ...
