Anarcho-capitalism - RationalWiki

For Fascism the State is absolute, individuals and groups relative." I submit to you that this is the prevailing ideology in the United States today. This nation conceived in liberty has been kidnapped by the fascist State." — Llewellyn H. Rockwell Jr., *Against the State: An Anarcho-Capitalist Manifesto*

Against the State: An Anarcho-Capitalist Manifesto (Book ...

From the anarcho-capitalism prospective, the State is immoral because it is based on the initiation of force, hence it violates the non-aggression principle, and therefore it must be abolished. Asking to an anarcho-capitalist: "But without a State, who will build the roads?"

Anarcho-capitalism - Wikipedia

A political ideology in which the monarch is counterposed against state bureaucracy, a representative for the people against the state. A dark messiah. Originates from Max Stirner's individualistic interpretation of Wilhelm Hegel's synthesis; and propounded by Friedrich Nietzsche's construction of the 'Ubermensch' or Superman.

Against the State: An Anarcho-Capitalist Manifesto ...

Against the State: An Anarcho-Capitalist Manifesto diagnoses what is wrong with the American political system and tells us what we need to fix things. The cure is a radical one because, as the book incontrovertibly shows, the many problems that confront us today are no accident.

Against the State | Mises Institute

Anarcho-capitalists argue that the state relies on initiating force because force can be used against those who have not stolen personal property, vandalized private property, assaulted anyone, or committed fraud.

Lew Rockwell articulates some important points for today's growing anarcho-capitalist movement. Recorded at the Mises Circle in Costa Mesa, California, 8 November 2014. *Against the State | Mises Institute*

Anarcho-Capitalism: A free and voluntary society leads to ...

Anarcho-capitalism is a political philosophy and economic theory that advocates the elimination of centralized states in favor of self-ownership, private property and free markets. Anarcho-capitalists hold that in the absence of statute (which they describe as law by arbitrary autocratic decrees, or bureaucratic legislation swayed by transitory political special interest groups), society tends ...

A thorough examination of such premises is exactly what *Against the State: An Anarcho-Capitalist Manifesto* proposes to undertake, and does so with greater and lesser degrees of success. It is with an eye primarily towards such that I'd like to dissect Rockwell's latest offering.

Against the State: An Anarcho-Capitalist Manifesto

Murray Rothbard called his political philosophy anarcho-capitalism to differentiate it from the far more common "communist anarchism." Or, rather, it was more common then. Today, Murray's vision of the free society without the oppressive, bloodthirsty, predatory State, and buttressed by private property, laissez-faire, and non-aggression, has relegated the bad guy anarchists to a ...

It is clear that “anarcho”-capitalist defence associations meet the criteria of statehood outlined in section B.2 (“Why are anarchists against the state”). They defend property and preserve authority relationships, they practice coercion, and are hierarchical institutions which govern those under them on behalf of a “ruling elite,” i.e. those who employ both the governing forces and those they govern.
