Holt Economics examines the way in which economics affects the lives of individuals and how individuals, through their economic choices, shape their world. Throughout Holt Economics, you are asked to think critically about the events and processes that shape your global, national, and local economy. - Publisher.

~~Answer Key Economics Reteaching Activity~~

Every society has an economic system that organizes how goods and services are allocated and answers the questions of WHAT, HOW, and FOR WHOM goods are produced. The way in which a society addresses these questions determines the type of economic system it has. Directions: The table below lists the three major types of economic systems.
