economic, and social benefits from the Green Belt Movement are that it has helped many people out of poverty by giving the women a small sum of cash for each seedling that survives in rural areas

critical thinking chapter 3 Flashcards and Study ... - Quizlet

In fact, any well-conceived program in critical thinking requires the integration of all of the skills and abilities you mentioned above. Hence, critical thinking is not a set of skills separable from excellence in communication, problem solving, creative thinking, or collaborative learning, nor is it indifferent to one's sense of self-worth.
