Why more women around the board table make a difference ...

Theres two stock answers to this as far as i know: 1. Its 90% rider/10% board, and 2. Better at what? I dont know how long youve been snowboarding, (ive only been around 40 days myself over 3 years so im not an authority), but i know from my personal experience that when youre learning, your choice of board can and does make a difference.

Boards That Make a Difference: A New Design for Leadership ...

Boards That Make A Difference. In their stead, he offers a board model designed to produce policies that make a difference, missions that are clearly articulated, standards that are ethical and prudent, meetings, officers, and committees that work; and leadership that supports the fulfillment of long-term goals.

How Corporate Boards Can Make a Difference

companies, 53 still had no women on their boards, 182 had one woman, 189 had two, and only 76 had three or more women directors. Does it matter to corporate governance whether women serve on a board? If so, does it make a difference how many women serve? Is there a critical mass that can bring

Creator of the Policy Governance® model of board leadership

I feel big difference from my all mountain board/freeride that are 158, compared to my jibstick Academy Propoganda 155cm. I feel it easier to rail with the 155, and do spins with it, but when it comes to handling and big jumps/drops, the 158 is a easy choice for me Because I find it much more stabile in fast speeds - P
