Party blazed a distinctive trail in American political culture. The Black Panthers are most often remembered for their revolutionary rhetoric and militant action. Here Alondra Nelson deftly recovers an indispensable but lesser-known aspect of the organization's broader struggle for social justice: health care.

tell the little-known story of the Black Panther Party's health activism in the late 1960s. In doing so, and in showing how the problems of poverty, discrimination, and access to medical care remain hauntingly similar more than forty years later, Nelson reminds us that the struggle continues, particularly for African Americans, and that social
