BOMAG equipment Manuals & Parts Catalogs

BOMAG genuine parts are characterised by their outstanding reliability and proven quality. Unlike replicas, they fulfill the highest quality standards in terms of functionality and durability, so your BOMAG stays a BOMAG.

Services | BOMAG

Specifications, however, are highly diverse. A contractor working next to a listed house has to use an entirely different compaction method to that used in conventional road construction. BOMAG offers a wide range of single drum rollers for every type of work. BW 124, 145 and 177-5: Compact, manoeuvrable, versatile.

Bomag Workshop Service Repair Manual Download

You build the best roads so we can move forward faster, and to ensure you can move faster, we build the best machines. As a member of the international FAYAT group, we build machines for all areas of road construction - soil compactors, cold planers and recyclers, asphalt rollers and road pavers.

Genuine Parts | BOMAG

BOMAG has a worldwide dealer and service network, which enables you to quickly obtain the right spare parts for your machine. Take advantage of our international spare parts service and avoid costly downtimes.

Home | BOMAG

Every BOMAG machine incorporates the compaction experience of decades from tamper to multi-purpose compactors. Understanding customer requirements is an integral part of this process, which is why BOMAG is in constant dialogue with clients to develop ever better machines.
