This Very Short Introduction addresses questions such as "what is capital?" before discussing the history and development of capitalism through several detailed case studies, ranging from the tulipomania of 17th century Holland, the Great Depression of the 1930s, and in this new edition, the impact of the global financial crisis that started in 2007-8.

Capitalism by James Fulcher - Blinkist

By not exploring the ecological challenges to capitalism, Fulcher has indeed introduced capitalism but not addressed its fate and ours later in this century. Although this is a "very short introduction", Michael Newman's "Socialism: A Very Short Introduction" and Colin Ward's "Anarchism: A Very Short Introduction" do address the ecological issue.
