Mechanical Engineer I Salary in Denver, CO | Salary.com

A meeting of 16 of the City of London's livery companies in 1876 led to the foundation of the City and Guilds of London Institute for the Advancement of Technical Education (CGLI), which aimed to improve the training of craftsmen, engineering technicians, engineering technologists, and professional engineers. The two main objectives were to create a Central Institution in London and to conduct a system of qualifying examinations in technical subjects.
