Never Eat Alone is a guide to networking in a socially healthy and mutually beneficial way, although it avoids the word “networking” on the cover (instead using the subtitle “And Other Secrets to Success, One Relationship at a Time”).

Never Eat Alone And Other

And in the time since Never Eat Alone was published in 2005, the rise of social media and new, collaborative management styles have only made Ferrazzi’s advice more essential for anyone hoping to get ahead in business.

Never Eat Alone, Expanded and Updated : And Other Secrets ...

Do you want to get ahead in life? Climb the ladder to personal success? The secret, master networker Keith Ferrazzi claims, is in reaching out to other people. As Ferrazzi discovered early in life, what distinguishes highly successful people from everyone else is the way they use the power of relationships—so that everyone wins. In Never Eat Alone, Ferrazzi lays out the specific steps—and ...

Never Eat Alone is a rare, detailed glimpse into how those with no special access can connect to those they want to meet. For many people who are good at connecting, this activity becomes a way of life. It's a profession and a hobby. As such, connecting can become all consuming. Many will find that aspect of Mr. Ferrazzi's story to be unattractive.
