Self-Esteem Worksheets for Kids in Primary School. Primary or elementary school is a fantastic time to start helping a child develop self-esteem. A child's mind is generally much more flexible and open than an adult's, so it's ideal to begin planting the seeds of healthy self-esteem at an early age.

have a plan or an understanding of their goals. Others try to do self-assessment exercises but don't know how they fit in to the job search or career goals. Others are so paralyzed by "the unknown" they find it hard to make informed decisions. With that in mind, the goal of this workbook is to

*Self-Assessment Inspires Learning | Edutopia*

A self-assessment is a way to look at all of your skills and experience in a cohesive way that can help you plan your education and begin writing a resume. In high school you are beginning to form an idea of what you want to do as an adult and that is helping you determine the type of education you will need after high school.
