Wieland explores literary texts, clinical material, and undertakes an extensive psychoanalytical interpretation of Mein Kampf to examine the relationship between the dynamics of some forms of masculinity, and the state of mind that
led to fascism in the social and political unrest that followed the first World War.

Amazon.com: The Fascist State of Mind and the ...
In presenting “The Fascist, His State and His Mind,” Mr. Ashton employs a method which is in some respects similar to that
of the Fascist propagandists themselves. In turn he reviews the political, the economic, and the administrative structure of the collectivist state, giving little attention to a description of its operation but reiterating again and again the Fascist conception of its purpose and meaning.

For over 200 years, mind parasites have been lurking in the deepest layers of human consciousness, feeding on human life force and steadily gaining a foothold on the planet. Now they
threaten humanity's extinction. They can be fought with one weapon only: the mind, pushed to--and beyond--its limits.
