John Bemrose - Wikipedia

I won't spoil the premise. I only mention it here because it was the first good example to spring to mind after reading *The Island Walkers*, the debut novel by Maclean's writer John Bemrose. *The Island Walkers* has perhaps the most shockingly unoriginal premise to come along in the last five, six, maybe 10 minutes. Or, at least, since the last time a Canadian novel was published that dealt with small towns and factories and unions and family sagas played out in a series of minor gains and ...

The traveller, coming across this place, might be forgiven for imagining that life is better here. So begins *The Island Walkers*, Bemrose's debut novel of a working class family in a small, southwestern Ontario mill town during the mid-1960's. Alf Walker works as a fixer in the local textile mill, just like his father before him.

Bemrose's *The Island Walkers* intrigued and impressed me at first. His ease switching from one character to the next was masterful. That's about as far as my compliments will go. After all was said and done, I didn't like this book. I thought that despite switching from one character to the next, Bemrose focused on the wrong characters, ie., Alf ...
