"The Last Lion: Visions of Glory, 1874-1932," is the first of William Manchester's projected three-volume biography of Winston Spencer Churchill. I found it a superbly crafted, supremely well researched account of the first 58 years of the life of the 20th century's greatest statesman.

Magnificent! Just finished my second reading of The Last Lion 1: Visions of Glory 1874-1932, the first installment of William Manchester biography of Winston Churchill. Even better the second time around, after having read many excellent books about the period when Churchill lived, specially about both World War I & II.

~~The Last Lion Vol. 1 : Winston Churchill Visions of Glory ...~~

The Last Lion: Winston Spencer Churchill is a trilogy of biographies covering the life of Winston Churchill. The first two were published in the 1980s by author and historian William Manchester, who died while working on the last volume. However, before his death, Manchester had selected Paul Reid to complete it, and the final volume was published in November 2012.
