Butterfly Bar coming off while appliance is running, Butterfly Bar is not attached correctly. The lowest point on the butterfly bar (see above) must sit directly over the blade closest to the base of the ThermoChef blade. Push butterfly down and it will clip into place. Turn the butterfly bar anticlockwise a couple of times to fix its position.

I have my thermoChef for over a year now, it still looks good and does everything I ask it to do. I have had no problems with it and I use it every day for one thing or another. Even my friend who lives with me who is extremely machine phobic uses it! I recommend the ThermoChef, I think it's great regardless of your level of cooking expertise.
