## **Unbearable Weight: Feminism, Western Culture, and the Body ...**

Unbearable Weight is a scholarly yet accessible look at the historical and current representation of women in history and in popular culture. It is an excellent look at society's objectification of the female body and the problems that can arise for women because of this objectification.

When such a situation is compounded by anxiety about women's desires in periods when traditional forms of gender organization are being challenged. . by way of the experience of newfound freedom (from a domestic destiny) and empowerment in the public arena.

### **Amazon.com: Unbearable Weight: Feminism, Western Culture ...**

Unbearable Weight is an analysis of the body in relation to culture. I expected to read about eating disorders and disordered body images, but instead discovered a new way of thinking about the body and culture.
