### Cordless Phones - Uniden Support

“Corded/Cordless” Telephone unit. The corded handset (on base) can make/receive calls during power failure. You can now place a fully-featured cordless handset anywhere in your home or office where AC power is available to connect the handset charger. Note: Illustrations in this manual are used for explanation purposes.

### How to turn the ringer on and off Uniden cordless phone ringer volume

Remotely Accessing The Answering Machine You can operate your answering system from a remote location using any touch-tone telephone or the handset if it allows that capability. Remote Access away from home You can check, play, or delete messages, even record a new greeting message when you are away from home.
